

White Eagle Property Group closes fourteen million refinancing of three building Manhattan portfolio.

Monsey, NY – February 7, 2019

National real estate investor and operator, White Eagle Property Group announced the close of a three-building portfolio located on 156th street in Manhattan as well as on Amsterdam Avenue.

Loans were financed through a local NYC lender.

All three buildings were purchased approximately a year and a half ago and have seen substantial upgrades done to interiors of many of the respective apartments.

Additional capital obtained by the group from this refinancing will be used to pay for additional upgrades as these buildings continue to improve.

“Our local, on ground management has done a wonderful job here, despite the challenging environment that is NYC today”, according to Jeff Weiskopf, Chairman and CEO.
